Hi Jeff,
Your attachment was not delivered, most likely the EPA folks didn't
receive it. Sometimes the EPA email removes things if the file name is
strange. Perhaps you could send it as a word document or a pdf.

Thanks - Tami

Greetings.

I did not leave town today.

I have tried to consolidate agenda items on the attached. See if it helps.

If I missed anyone on the email list, please forward.

Thanks.

Jeff Parker

This Email message contained an attachment named
  agenda.doc
which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
